YOUR ON THE ROAD GUIDE

more than a way to pay

SNAP allows you to pay for mobility solutions with your licence plate - giving you easy access to parking, tolls, washes, meal vouchers, and secure locations. You'll never need to pay out of your pocket or claim back expenses.

more than

a way to park

Connect effortlessly to trusted parking locations along your journey.

With SNAP, you have access to a network of over 850 truck parks across Europe, including bookable options that guarantee you a space when you need it. Our partners range from small family run businesses to large international parking groups, strategically located in key transit areas to provide variety and convenience.

more than

a way to wash

Ensure your truck stop stays spotless with easy access to truck washing solutions across Europe.

With SNAP, you benefit from a wide network of washing facilities to meet health and safety requirements and maintain a clean and professional image, ready for your next load. From motorways to key transit hubs, our washing locations are conveniently situated to integrate into your journey.

more than 

a way to navigate tolls

Simplify your journey with hassle-free toll payments for uninterrupted travel across Europe.

Our toll solution ensures you navigate toll crossings efficiently, avoiding unnecessary fines or overdue payment charges.

more than 

a way to refuel

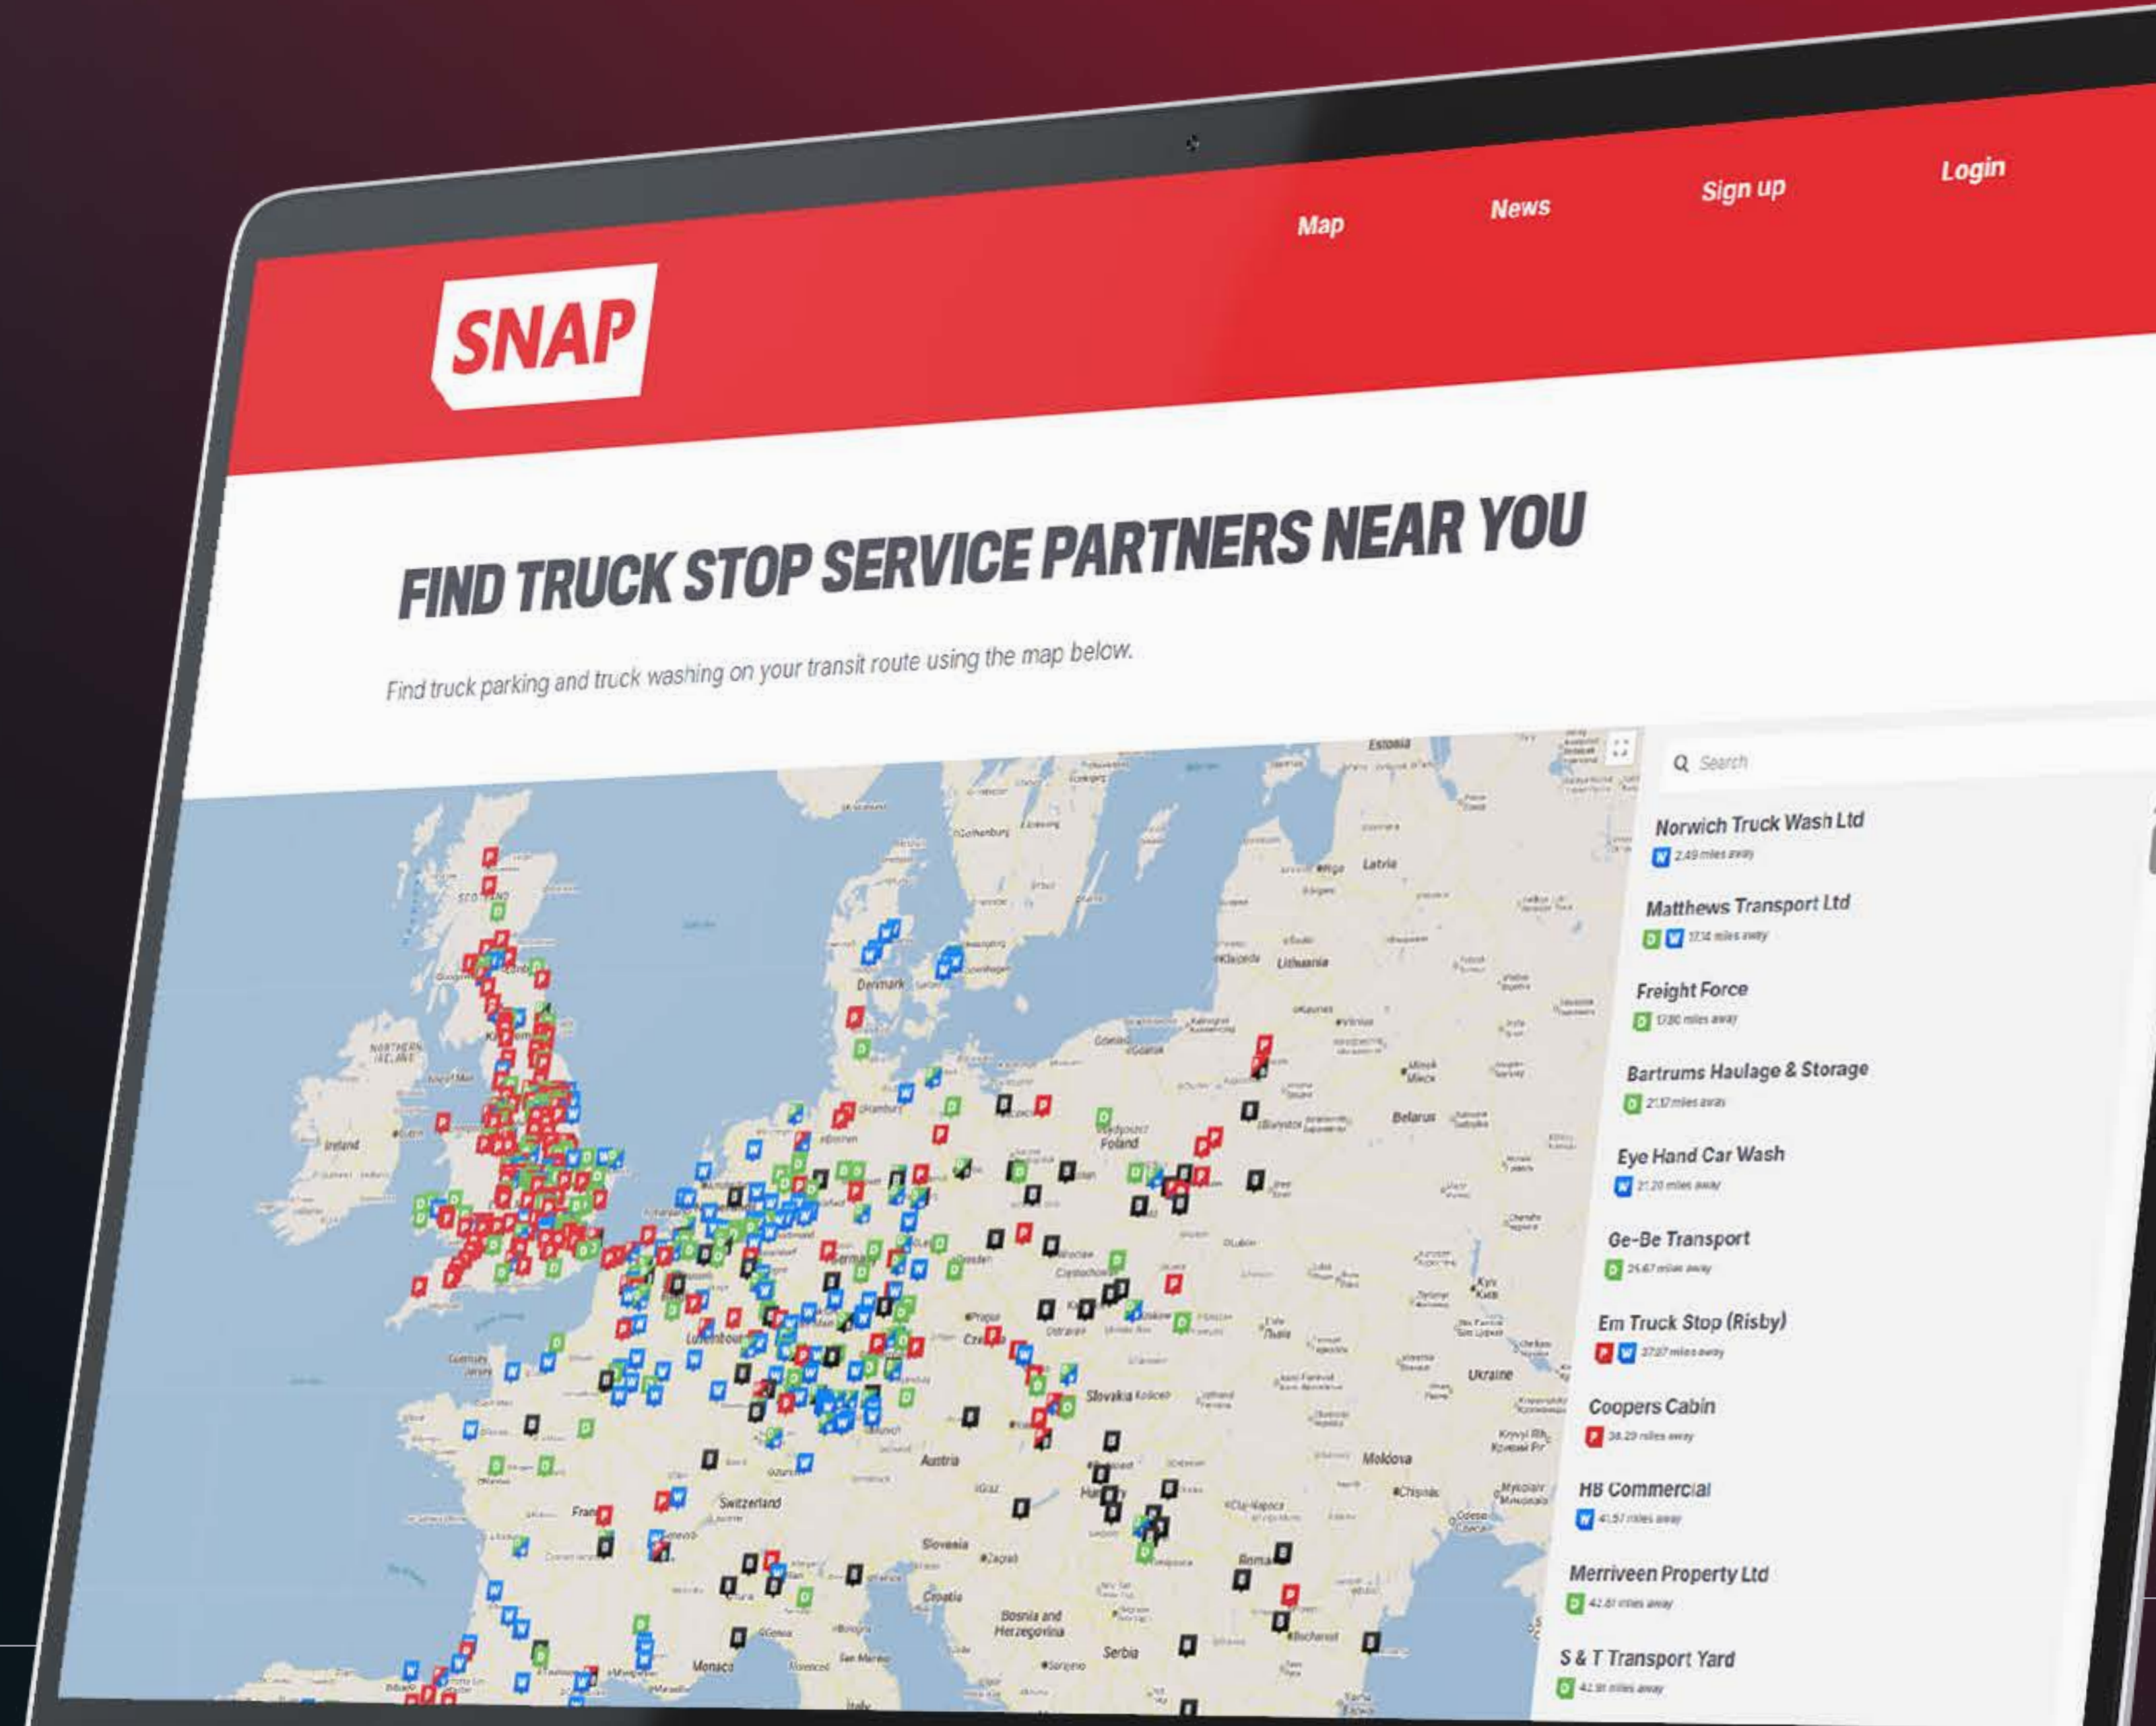

Refuel at hundreds of locations across the UK to keep your truck moving.

SNAP makes filling up simple, cost-effective and time-saving throughout the UK.

A growing network across Europe

We are partnered with reputable service partners offering you essential services to support your journeys.

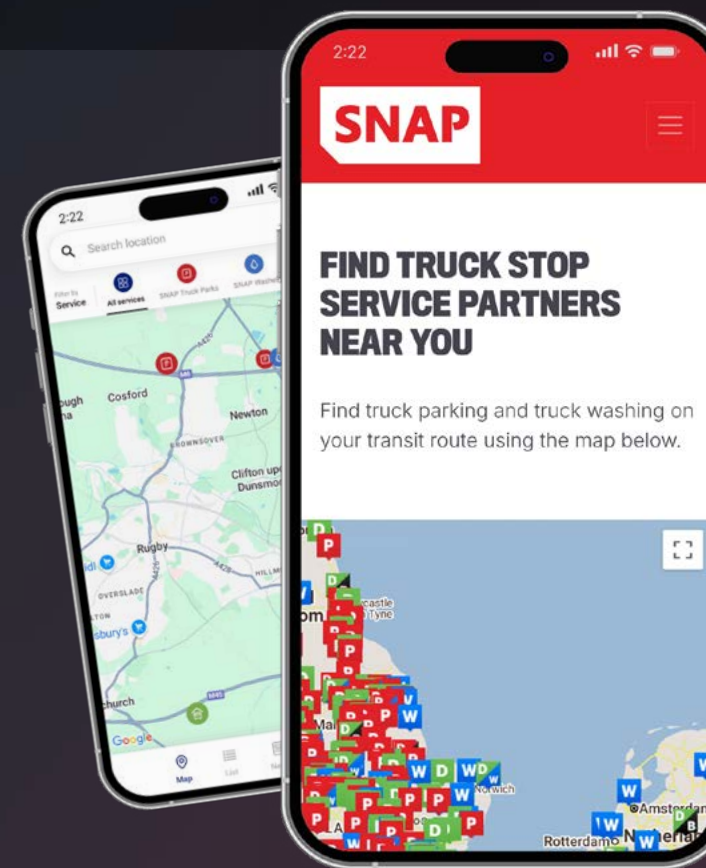

We are committed to expanding where demand is highest, connecting our driver community to the services where they need them most.

How do drivers use SNAP?

Truck drivers across Europe use SNAP's digital payment solution to access mobility services throughout their journeys. If you are not booking in advance, here's how it works:

Find your service partner

Head to snapacc.com or the intruck app to find a suitable SNAP service partner on your transit route.

Park at a SNAP truck stop

Arrive at your SNAP truck stop, park your vehicle for the night and enjoy the facilities on offer.

• ABC 123 •

Pay with your licence plate number

Enter your licence plate number into a payment terminal to confirm your session. If no terminal is available, speak to staff to book yourself in.

Cost invoiced to your fleet manager

The digital payment is processed to your fleet manager, meaning you don't need to use cash or card and claim back your expenses.

Additional benefits

We aim to make driving life as simple as possible, and joining the SNAP community gives you the following benefits:

Food vouchers

Park with SNAP and use your voucher to use on food, in the shop or other services at participating locations.

Window stickers

Make sure you let staff know you are paying with SNAP by displaying the SNAP sticker on your windscreen.
